Alliance

"An agreement made to advance common goals and interests"

Our goal is the same as yours; achieving the best outcome possible for your healthcare IT projects. Renaissance Resource Associates is the healthcare IT consulting group which brings a proven history of providing the highest quality services.

Our vocation demands the best of us. The reputation of healthcare organizations and the lives of the people they serve depend on us helping you get it right the first time. We know this to be true, and have dedicated our professional endeavors to making it happen.

Bringing a significant history of providing quality services, Renaissance is a bold new beginning.

"Alliance" exists to provide a forum for sharing of information and ideas. The road ahead will lead us to functionality, practices, processes, intelligence, tools, and technology we could not have imagined 20 years ago. Alliance will be there to share the best of what we know, at a practical level that is useful to you.

We look forward to working with you and the future,

Renaissance Resource Associates

Future Newsletters

Future issues will contain articles written by our team of experts that will provide information and guide you on issues important to you and your project.

Introducing "Ask the Expert"

We are excited to implement an "Ask the Expert" column. This is your opportunity to pose a question or problem to our expert team. We will then do what we love best, putting the breadth and depth of our teams' knowledge to work to provide you with the information you need. Responses to your questions will be published in subsequent issues of Alliance.

Please submit questions for future issues to Information@rraconsulting.com.
